

Cyber Resilience for Dell PowerStore

Integrated end-to-end cyber resilience with Dell PowerStore and PowerProtect

Combine the advantages of PowerStore

PowerProtect Data Domain

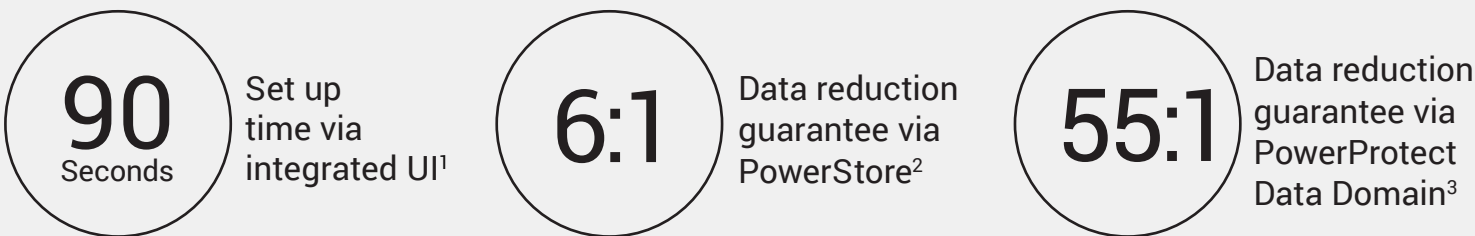

Achieve data recovery confidence with an **all-in-one** solution that gets you **up and running in just 90 seconds**.

How It Works

1-2-3...and your PowerStore workloads are cyber-resilient.

Efficient Technology : By the Numbers

BENEFITS OF STORAGE DIRECT PROTECTION

Simplify Operations

	Streamline operations by avoiding multi-vendor complexity.	- Protect data on-premises and in the cloud - Extend self-service protection beyond the storage system - Gain insights from integrated, AI-powered health monitoring
--	--	--

Increase Efficiency

	Lower expenses with industry-leading data reduction. Guaranteed.	- Maximize storage utilization and reduce hardware costs with powerful data reduction guarantees - Reduce operational costs for power, cooling and rack space
--	--	---

Strengthen Cyber Resilience

	Stay ahead of security threats and keep critical data safe from attacks.	- Reduce risk with integrated, policy-driven protection for PowerStore workloads - Protect data on-premises and in the cloud with efficient, deduplicated backups - Support cyber recovery strategies with clean, rapidly recoverable copies
--	--	--

Future-Proof Your Enterprise

	Prepared for the future, no matter what it brings.	- Stay ready for evolving cyber threats and business demands - Accelerate innovation with integrated, modernized storage and protection management - Remain current with automated software updates
--	--	---

Storage Direct Protection

Simplify your cyber resilience with the combined power of PowerStore and PowerProtect Data Domain

Want to get running in 90 seconds? [Watch our demo](#)

¹Set up cloud or on-prem backup in just 90 seconds natively within PowerStore manager. Based on Dell analysis, April 2026.
²6:1 average rate guaranteed for reducible data across customer applications for PowerStore Gen 3 appliances only. Rates for individual applications may vary. See terms and conditions for details. include Data Protection products only.
³55:1 Data Protection Deduplication Guarantee: Requires customer signature and purchase of a ProSupport, ProSupport Plus or with the Mission Critical maintenance agreement. Applicable products
