

NetShelter™ SX Enclosures

The IT rack you can feel certain about

Bring your business the power of global scale, sustainable leadership and unparalleled quality with APC NetShelter SX Enclosures.

More computing in less space

- Quality built IT racks made for AI applications and everyday excellence
- Outstanding load capacity, airflow and security

Peace of mind

- Built with all-steel construction
- Secured with 3-point locking system
- Backed by 5-year warranty

Sustainable longevity

- Built to last, adapt and reuse
- Remarkable 3.3% reduction in climate change impact for latest models
- Take-back eligible and 97% recyclability potential
- Complete environmental profile available

Simplified daily workflows

- Makes daily operations more efficient, predictable and enjoyable
- Packed with features that make installation faster, easier and precise
- Ample space for equipment, organization and maintenance

Complete the solution

NetBotz™ provides enhanced environmental and physical security.

NetShelter Intelligent Rack PDUs securely measure and manage power.

Smart-UPS™ Modular Ultra delivers high-density on-line power protection with scalable runtime supported by lithium-ion batteries.

EcoStruxure™ IT provides cloud-based monitoring and control.

Life Is On
