

# MICROSOFT 365 COPILOT ENVISIONING WORKSHOP

In the fast-paced and competitive landscape of today's business world, organizations want to tap into the capabilities of AI to boost their productivity, creativity, and innovation. Embracing AI necessitates meticulous planning—thorough preparation and a state of readiness—to guarantee success and return on investment. Microsoft 365 Copilot is no exception.

Embark on the initial stages of bringing AI into the workplace with Connection's Microsoft 365 Copilot Envisioning Workshop. Our Microsoft 365 Copilot Workshop is designed to help you uncover unique AI transformation opportunities, align enablement objectives with your strategic goals, and validate business value through a tailored roadmap and proof of concept.

## Who Should Attend?

This workshop is for organizations that are considering Microsoft 365 Copilot, want to explore its capabilities, and learn what it takes for a successful implementation.
