Connect with Exceptional IT Talent

## YOUR PARTNER IN HIRING

No matter your need, our experts have the knowledge and resources to fill your IT position. Save time, money, and headaches when you partner with Connection. We'll help you secure hard-to-find talent that meets your specific expectations and skill requirements.

Securing IT talent is one of the top five initiatives of technology leaders, and with today's competitive market, organizations across the U.S. are facing hiring challenges for technical positions. We can help! Connection offers IT staffing solutions designed to attract and hire IT talent in a time-efficient and cost-effective manner.

## IT Staffing Solutions

We have the programs to help you find talent specific to your unique IT needs and strategic goals. Flexible options include contract-only durations, as well as 60, 90, and 120+ day contracts.

- **Contract-to-Hire Staffing**

For potential permanent positions, we offer a 90 working day contract-to-hire program. After 90 working days, clients can hire on our consultant for no additional conversion fees.

- **Direct Hire Placements**

We have a proven process with incredible access to nationwide IT talent for either a 16% fee with a 30-day guarantee or an 18% fee with a 90-day guarantee.

- **Payrolling**

Have you found a candidate on your own, but you don't have the operating budget to approve the hire? We can help. For a small administrative fee, we will hire your employee and contract them back to you for a period that you select.

- **Contract Staffing**

Hire technical expertise for specific IT projects, backfill, or skill openings. Flexible options include contract-only durations including 60, 90, or 120+ day contracts.
