

SECURITY COMPLIANCE AND READINESS ASSESSMENT

Connection offers comprehensive readiness and attestation support to help organizations meet regulatory requirements, including PCI DSS, NIST & CMMC, HIPAA, ISO 27001, and GDPR. Non-compliance can lead to severe penalties, legal issues, and reputational damage. Our assessments guide you through the complex regulatory landscape, ensuring continuous compliance and safeguarding your organization.

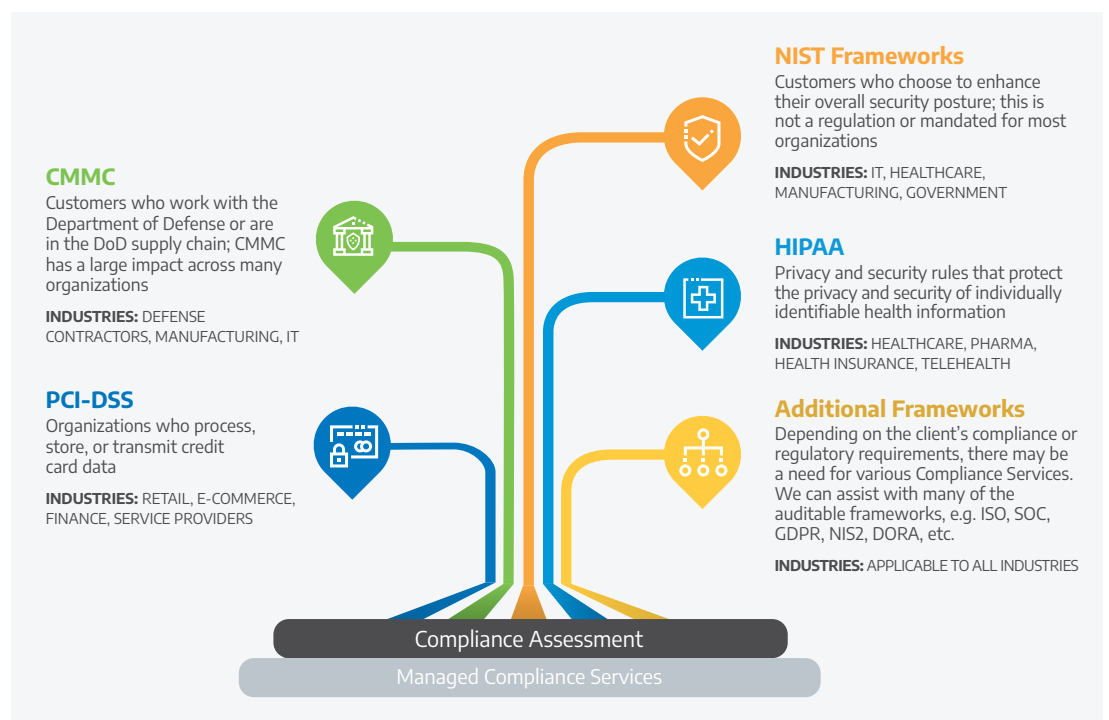

Connection's Managed Services can also provide methods to help organizations stay and remain compliant with continuous support to help you maintain ongoing compliance as regulations and threats evolve.

What Is It?

- A thorough assessment of gap and compliancy aligned to major regulatory requirements
- Assessment suite tailored to your specific systems, configurations, and policy needs
- Detailed gap analysis and actionable recommendations
- Expert guidance from certified security professionals

Deliverables

- Detailed Risk Assessment Report with Prioritized Remediation Roadmaps
- Compliance Gap Analysis
- Raw Scan Results with Top25 Mitigation Report
- Attestation of Compliance
- Certificate of Compliance
