

The Pulse of IT

What our latest stats reveal around **Mobility**

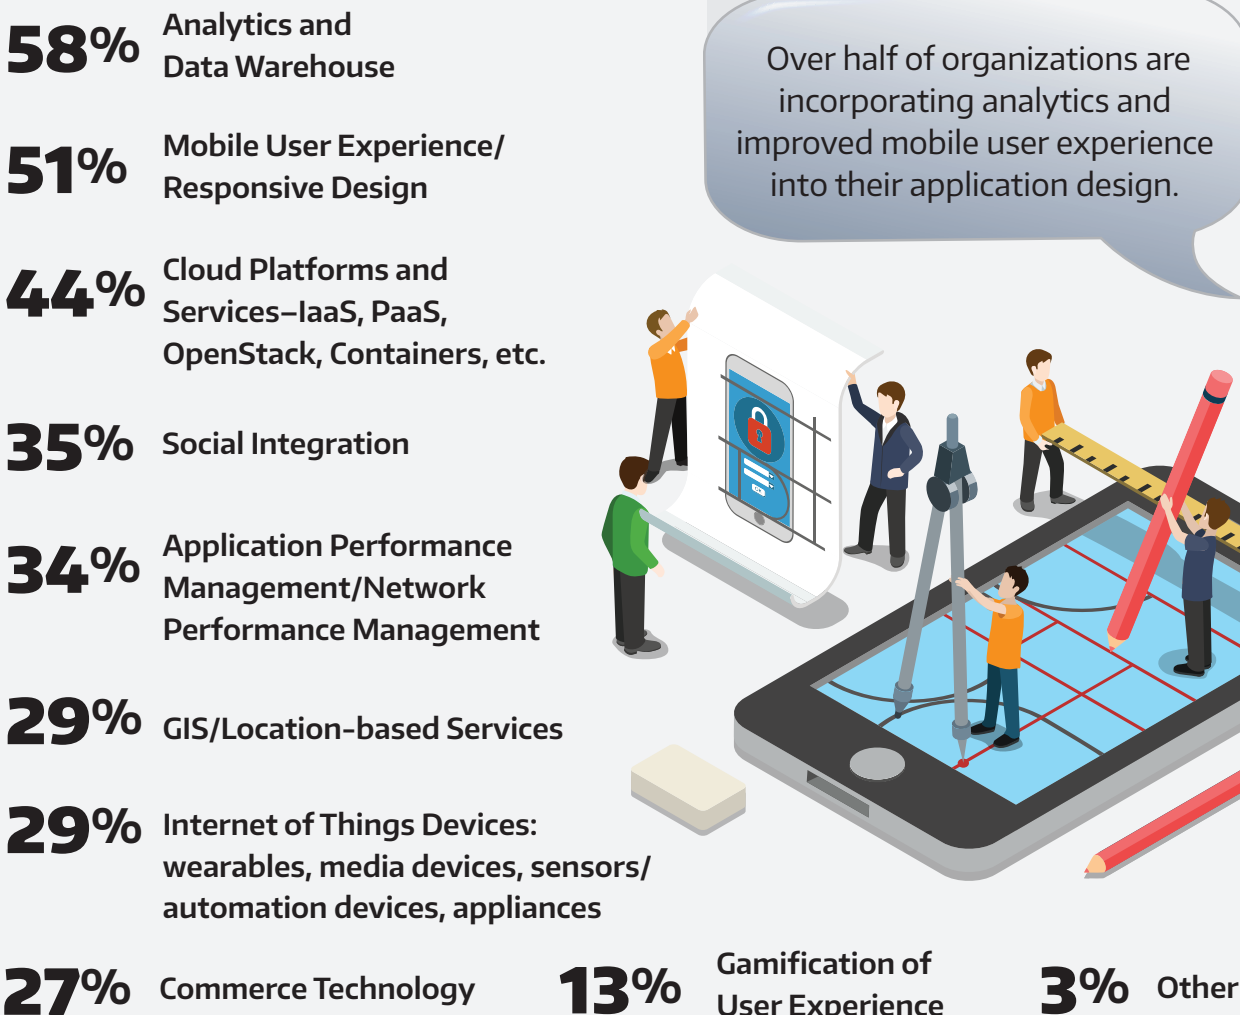

Q.1

Is your organization investing in building custom applications for use by its employees or customers over the next 12 months?

Q.2

What technology or design aspects are you incorporating in your new or existing applications?

Q.3

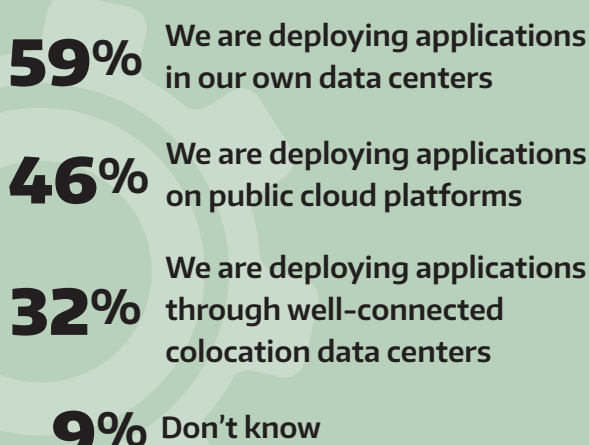

Almost six in ten organizations are deploying their apps in their own data centers.

How will you build your applications over the next 12 months?

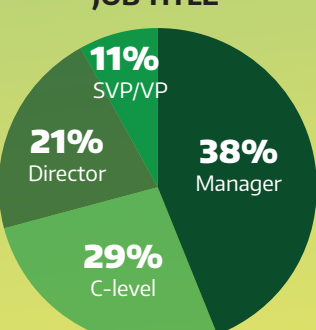

While over a third of organizations are developing apps in house, almost half are using a mix of in house and outsourcing.

How will your organization deploy applications over the next 12 months?
